Our services and advice are not intended to be a substitute for professional medical advice, diagnosis, or treatment. A number of our services are not evaluated and/or approved by the FDA. We are not, nor do we claim to be, medical professionals and our therapies can not guarantee results. Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition.

Our EMSCULPT NEO service is specifically managed and performed by our Medical Director, Dr. Kirsten Kerrigan, or RN following Dr. Kerrigan's guidance.

BIOCHARGER NG

The BioCharger has been shown to offer powerful support by helping to balance hormones, boost energy levels, and reduce stress. By bathing the entire body in rich electromagnetic energy, the BioCharger may help detoxify your system, support lymphatic drainage, improve mental clarity, reduce sleep disturbances and enhance immune and thyroid functions. For those navigating the challenges of perimenopause and menopause, we recommend using the BioCharger 2-3x week.
